PCET'S NMIET Talegaon Pune | C.G.P.A : 8.93/10   2020-2024

Higher Secondary Certificate Examination

Jai Hind Junior College Pimpri | Percentage : 75.23%   2020

Secondary School Certificate Examination

M.S.S Highschool Chinchwad | Percentage : 93%   2018

PROJECTS

Patient Management System

- Patient Management System is web application that is developed by using JAVA, servlet & JSP.

This dynamic web application helps healthcare professionals organize and access patient information easily.

Task Manager

- I conceptualized and implemented a Task Manager web application using HTML, CSS, and JavaScript, providing users with an intuitive and efficient way to organize and manage their tasks.

Cyberbullying Detection

- Implemented a machine learning based cyberbullying detection system that effectively identified and flagged instances of online harassment and harmful behavior.

LANGUAGES

- English
- Hindi
- Marathi

ACHIEVEMENTS
